We moved in the time between the issuance of the two invoices. 209-211 W,. 5th is now the correct address. I also, had been told to subtract the DWP grant from the total. Is that no longer the proper way to do this?

Do you need anything changed and resent?

Thank you,
Patti

Hi Blair,

Please advise on the attached address on the 2 invoices which is the current address. Attached also do not indicate if the payment is in EFT Payment or check payment. Please advise.
